LOUNGING AROUND

With the introduction of the Bloc and Cloud collections, **Gloster** presents tactile, comfortable, and fully waterproof upholstered seating systems at the forefront of an exciting new development in outdoor furniture. "Outdoor lounge as a style of furniture is about providing the same level of comfort and feeling of relaxation as you would expect from your indoor upholstered sofas. The really clever part is that you can leave our systems outside all year," said Mark Gabbertas, designer of Bloc and Cloud for Gloster.
